

COMPANY VISION & VALUES

POLICY

We are an Electrical Company who have successfully carried out testing and commissioning projects throughout the Western Australian Metro and Pilbara Region.

We strive to be recognised as a contractor of choice, our clients knowing that our experienced and driven project delivery team will manage and lead their projects to completion safely, on time and on budget.

We will create a workplace in which our employees feel valued and satisfied.

Our values describe how we act each and every day with each other, our clients, partners and the community:

SAFETY We value keeping all people who work with us safe with an unwavering goal of Zero Harm.

PERSONAL We value personal service, passion, hard work and the highest level of performance.

INTEGRITY We value open and honest professional relationships, personal responsibility and we believe in doing what is right regardless of who is watching.

RELATIONSHIPS We value relationships, teamwork and collaboration as it is in relationships, teamwork and collaboration that projects are successfully delivered.

INNOVATION We value a work environment in which creativity and innovation is fostered and recognised. All ideas are considered on their merits and change is embraced.

EXCELLENCE We value continual professional development to build our capabilities in the core areas of commissioning and project management to provide a competitive advantage
